

Sonya Lodge Residential Care Home hosts Christmas Tree Decorating Tree Off

Last week we had great fun here at Sonya Lodge Residential Care Home, when our residents and staff held an exciting 'tree off' competition - to see who could best decorate their Christmas tree.

We had a number of different trees and an array of wonderful coloured decorations to use, and it was fantastic to see them all taking shape in our **Home**.

A great time was had by all and we think you'll agree *all our trees are winners!*

We loved making our Home so festive!
