

## Sonya Lodge Residential Care Home hosts Macmillan fundraiser

**We hosted our annual Macmillan Fundraiser at Sonya Lodge Residential Care Home and this year started off our event with a 'Bake Off' competition for our staff and residents!**

We had a **whopping 11 entries** which ranged from large cakes to cupcakes and sweet pastry treats. Our residents worked together with our Activities Team to make a beautiful chocolate cake that was iced and decorated in the Macmillan green and purple colours.

One of our **Chefs John**, our **Deputy Manager Abi**, and **Nellsar's Recreation and Well-Being Manager Viv**, judged our **competition**. They gave scores for taste and presentation and did not know who had made each entry.

***It was a closely contested battle but...***

*Our 1st prize went to our residents*

*2nd prize to Deanne (Recreation and Well-Being Team)*

3rd prize to Vic (Recreation and Well-Being Team)

We invited in our residents' **families and friends** in the afternoon for a **raffle, coffee afternoon and cake sale** to enjoy all of the scrumptious competition entries. Our residents loved the day and enjoyed spending time with their loved ones.

**We had a fantastic day raising money for a wonderful cause and were over the moon to send Macmillan a grand total of**

**£305.25!**

*Huge thanks to all our bakers, our judges and friends and family who made the day such a memorable one.*
