

Sonya Lodge Residential Care Home hosts Stars in Their Eyes show

Our Sonya Lodge Residential Care Home ladies and gents were treated to a fantastic 'Stars in Their Eyes' show last Wednesday, with an amazing performance by Mimi.

Every song had a different outfit which was transitioned beautifully. The **outfits were stunning** – sparkles, sequins, bows, ruffles and more! One of our resident's favourite outfits was Mimi's **Dolly Parton costume** which was totally pink and frilly. It was eye-catching for sure! Another favourite was ABBA when Mimi was dressed as one of the Dynamos from **Mamma Mia**.

It was not long before most of our residents were up **dancing and twirling around with Mimi**. Some of our more confident residents even had a go on the microphone. It was one of those shows that we all didn't want to end!

Thank you for a wonderful time Mimi!
