

## Sonya Lodge Residential Care Home residents celebrate St Andrews Day

**It was St Andrews Day on Wednesday 30 November and we wanted to celebrate the occasion with our residents at Sonya Lodge Residential Care Home.**

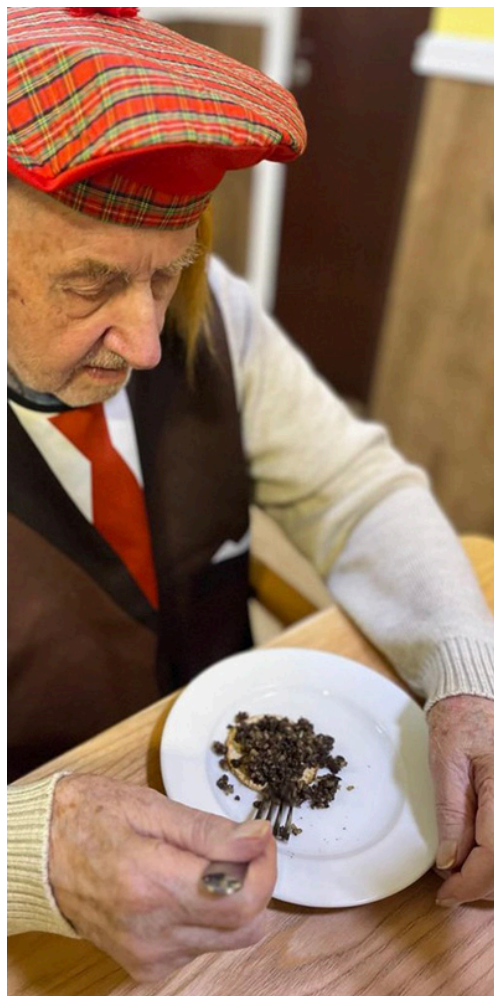

Everyone had fun wearing their **Scottish hats** and listening to some **highland music** to kick off the day.

Our residents then enjoyed a **tasting session** with **haggis**, **neeps** (swede) and **tatties** (mashed potato), with a **Scottish oatcake**.

We were surprised by how many of our ladies and gents were big fans of haggis – devouring the tasters and asking for seconds! *They were definitely braver than some of our staff!*

*It was lovely to see everyone enjoying themselves and celebrating all things Scottish on St Andrews Day.*

In haggis heaven!
