

## Sonya Lodge Residential Care Home residents enjoy balloon tennis with visiting children

**One of our resident's family members provides pre-school childcare services and she recently brought the children she looks after in to visit our residents at Sonya Lodge Residential Care Home.**

Our ladies and gents were thrilled to see the young children joining us and they all welcomed them with open arms.

*They played games of **balloon tennis** together and it was so special to see the two **different generations interacting** with each other and having lots of fun.*

*We are all looking forward to our next visit from the children – great fun!*
