

Sonya Lodge Residential Care Home residents enjoy Christmas activities

We love this festive time of year at Sonya Lodge Residential Care Home and our residents have been getting into the festive spirit with a range of Christmas themed activities this week.

Some of our ladies and gents enjoyed sitting down with a cup of tea or hot chocolate to enjoy a **Christmas film** together, while others enjoyed spending time doing Christmas themed **arts and crafts**, including making Christmas cards and festive colouring.

A group of our residents also attended the **St Michaels Church Christmas Fair**, where they enjoyed delicious bacon rolls and a warming cup of hot chocolate. There was also some arts and crafts to enjoy together at the fair and a selection of stalls where they could buy books and play the **Christmas Tombola**.

Everyone had a fantastic time and were only too happy to tell us all about it when they came home!

Enjoying some festive fun!
