

Sonya Lodge Residential Care Home residents enjoy community Coffee Stop

Every Tuesday, St Michaels Church in Wilmington provide 'The Coffee Stop' – a time for members of the local community to meet together for a coffee and slice of homemade cake, and our Sonya Lodge Residential Care Home residents are regular attendees. ☐

Our ladies and gents always jump at the chance to see their **community friends** and recently enjoyed cups of tea and coffee, while devouring delicious slices of lemon drizzle cake, tea loaf and Victoria Sandwich cake.

Everyone had a great time **chatting, laughing and joking with friends**.

We are already counting down the days to our next visit there!
