

## **Sonya Lodge Residential Care Home residents enjoy making bread and seeing PAT dog Lois**

### **Bread making**

**Our Sonya Lodge Residential Care Home residents came together for a spot of bread making on Tuesday 16 November.**

Our Recreation and Well-Being Champion Jo guided the mixing and kneading, and our residents shaped some lovely loaves and bread rolls.

When they were baked, they enjoyed tasting the fruits of their labours – *delicious!*

### **Pet Therapy**

We've also had another super visit from gorgeous PAT dog '*Lois Lane*'.

Labrador Lois is beautiful, gentle lady who has so much love to share with our residents. It's truly amazing how her spirit lifts us all.
