

Sonya Lodge Residential Care Home residents enjoy pumpkin picking and carving

On Wednesday 20 October a group of our lovely residents from Sonya Lodge Residential Care Home visited Stanhill Farm in Dartford to check out their pumpkin patch!

Everyone at the **Lodge** is getting ready for **Halloween**, so we needed to get our pumpkins at the ready!

Our ladies enjoyed seeing all the different sizes and colours of pumpkins on the farm and then got stuck in to **scooping them out and carving them** when they got back.

Great messy fun and we love our perfect pumpkins creations!

Fun on the farm and pumpkin carving!
