

Sonya Lodge Residential Care Home residents enjoy Spanish Cruise

We had great fun at Sonya Lodge Residential Care Home last week on our virtual cruise to sunny Spain.

Jo from our Recreation and Well-Being Team made her amazing **Matador costume** and our fantastic **El Nellsar Sangria Bar**, which went down a treat! Deanne, Holly and Abigail were tourists.

We all had a super day celebrating Spanish culture, in usual **Sonya Lodge** style with **bunting, balloons, maracas, piñata fun, sombreros** and **Spanish flags**.

Sangria was on tap all day, hosted by Jo and her friendly bull – with sides of nachos and olives! *Perfect!*
