

Sonya Lodge Residential Care Home residents enjoy summer BBQ

We held a wonderful fish themed summer BBQ on Wednesday 7 July at Sonya Lodge Residential Care Home, much to everyone's delight!

Our lovely **Chef Rachel** cooked a **seafood feast** to get our tastebuds tingling! Prawns, salmon, bass and oysters, with scrumptious sides side of quiche, home made salads and corn on the cob.

It was fantastic to see the food sizzling outside in our garden.

We love the summer!
