

## Sonya Lodge Residential Care Home residents feel the love on Valentines Day

**We all had the loveliest Valentine's Day at Sonya Lodge Residential Care Home, when love was in the air!**

We started the morning by getting our Home full of love, with bunches of **pink and red roses**.

After this, our residents enjoyed **decorating cupcakes** with pink buttercream, butterflies and glitter, and we decorated our tables for lunch with **loveheart tablecloths, roses and balloons**. We welcomed several couples to dine with us for a midweek roast, including George and Angela.

In the afternoon it was time to party! **Amazing singer Graham performed for us** and it was not long before we were up dancing as he sang a medley of love songs.

We all spent the afternoon singing and dancing and then each of our residents were gifted **Valentine's Day sweetie bags** filled with treats.

**What a fabulous way to spend Valentine's Day – everyone's hearts were singing!**
