

Sonya Lodge Residential Care Home residents share praise and worship service

Our Sonya Lodge Residential Care Home residents who follow the Christian faith enjoyed their in-house praise and worship service with Jean from St Michaels Church last week.

Jean works hard to ensure that these services are **engaging for our residents**, especially those living with dementia or Alzheimer's.

To do this, she keeps the service short (no longer than 45 minutes) and ensures that the sermon is always **sensory-based** which lots of visual aids. *This week she used bubbles, which everyone loved!*
