

## Sonya Lodge Residential Care Home wish The King happy birthday

**Wednesday 8 January marked the legendary Elvis Presley's birthday, so here at Sonya Lodge Residential Care Home we held an Elvis Day!**

We decorated our **Home** with American bunting and red, white and blue balloons. We then hosted a **karaoke sing-song** with our residents in Elvis's honour, which was great fun.

Lunchtime too was American-themed; we served burgers in buns with a side order of onion rings and chips.

In the afternoon we welcomed **singer Chela Bella**, who entertained us all with her medley of well known Elvis songs, which our ladies and gents thoroughly enjoyed. And of course there was dancing, in the usual Sonya Lodge style!

A great deal of fun had by everyone – *many happy returns Elvis!*
