

Sonya Lodge Residential Care Homes shopping trip to Bluewater

We decided to be girls about town and go out for a shopping spree! Our residents here Sonya Lodge Residential Care Home loved walking around Bluewater together while searching for their next purchase.

We browsed the shops in search of cardigans, slippers and shoes, and all of us were delighted when we found the perfect items for each person.

After all that hard work, our ladies decided that they had definitely earned themselves a cake and coffee. So we made a final pit stop to pick up delicious lemon drizzle cakes, cupcakes and pineapple tarts before returning back to **Sonya Lodge**.
