

Spooky shenanigans at Sonya Lodge Residential Care Home

Party time!

We had lots of fun this Halloween at Sonya Lodge Residential Care Home. From dressing up in creepy costumes with staff and residents, to gorgeous gift boxes and scary selfies – we celebrated in true Sonya Lodge style!

Our **Halloween selfie frame** was a big hit with our residents who found it hilarious, and they 'chanced their arms' at Halloween themed **temporary tattoos** too. We had a special **spooky drinks station** and **some yummy sweet treats** for everyone to enjoy, all topped off with a **hearty Halloween disco!**

Costume winners

Our **Deputy Manager Abbie** was awarded '*best dressed up staff member*' for her skeleton print outfit, followed closely by **Shane from Maintenance**. *Well done to them both!*
