

## St Andrews Day celebrations at Sonya Lodge Residential Care Home

**We celebrated all things Scottish at Sonya Lodge Residential Care Home on Thursday 30 November to mark St Andrew's Day together.**

We decorated everywhere in the Scottish colours of blue and white, and had **highland music** and the sounds of **bagpipes** playing in our Home.

Our residents enjoyed a **Scottish-themed afternoon** tea together with delicious traditional shortbread and decadent millionaire shortbread. Yum!

Everybody loved dressing up in their **Scottish hats** and reminiscing about times they have visited Scotland in the past. We also shared different facts that we knew about the Scotland isles.

*It was a wonderful day spent together celebrating Scottish culture.*
