

## St Davids Day celebrations at Sonya Lodge Residential Care Home

### Welsh cakes and daffodils

Our residents here at Sonya Lodge Residential Care Home coloured in cheery daffodil pictures for St David's Day on Monday 1 March. We also made a colourful paper banner and traditional Welsh cakes. Bunches of daffodils really brought a touch of Spring into the Home too!

### Games and furry friends

Our beloved **Roxi** dog is always a great comfort to our residents – she's always up for a cuddle! Our ladies and gents have enjoyed playing a few games this week, reading and relaxing with a cuppa, and some of our ladies have been happy to help out with the washing up too.
