

## St Georges Day celebrations at Sonya Lodge Residential Care Home

We had a fantastic St George's Day at Sonya Lodge Residential Care Home, when we decorated our lounge with St George's Cross flags and bunting.

Everyone was up and in the mood for a party and we were joined by the **fantastic musician Rob**, who brought his guitar and ukulele to to help us celebrate with some good old party anthems!

Our ladies and gents loved Rob's tunes, **singing** out loud and proud and showing off their best **dance moves**.

*What a blast!*
