

Thoughtful gifts donated to Sonya Lodge Residential Care Home

We've been delighted to receive some very special gifts for our residents and staff recently at Sonya Lodge Residential Care Home.

Barbara is a resident at Sonya Lodge; her niece Yvonne kindly donated a yummy **chocolate cake** covered with marshmallows for our staff to enjoy. Barbara had the first slice of course, followed by our staff on shift. Yvonne also donated a brilliant **handmade crocheted carer** wearing a face mask. This is now proudly displayed in the window of our Manager Jean's office.

One off our lovely neighbours recently donated some **beautiful hand painted rocks** (Wilmington Painted Rocks) for our residents to look at, touch and keep. Some have been placed in bedrooms to enjoy.

When the lockdown is over, our Well-Being Champions plan to walk some of our residents around to our local park to hide them.

We feel so lucky to have such thoughtful presents delivered to our door – they are very much appreciated.
