

## Through the Decades at Sonya Lodge Residential Care Home

### Celebrating the 1960s

**We filled Sonya Lodge Residential Care Home with lots of peace, love and flower power for our 60s party earlier this month.**

We all dressed up, danced and partied together to some of the best 60s party anthems. Everyone reminisced over their party days of the swinging 60s and shared fun stories.

*We are already looking forward to our 70s party next month!*
