

Valentines love at Sonya Lodge Residential Care Home

We loved going all out with our decorations for Valentine's Day here at Sonya Lodge Residential Care Home.

We filled the Lodge with **bunting**, **heart balloons**, **cut out heart decorations** and our special **Memory Tree**, covered with heart shaped messages.

Everyone had fun taking photos with our **heart-covered selfie frame** and we sang **karaoke love songs** to celebrate the day.

Our delicious dinner was cooked by Chef Hannah and included;

Melba toast and pate

Roast beef and trimmings or macaroni and cheese

Home made heart shaped chocolate brownies or home made trifle

Our residents really '*felt the love*' and we were delighted that everyone had such a memorable day.
