

## Valentines preparations at Sonya Lodge Residential Care Home

**Our residents at Sonya Lodge Residential Care Home have been getting ready for Valentine's Day by making and writing their Valentine's cards to send to their families and significant others.**

They used coloured card and **created beautiful designs** with glitter, foam stickers, tissue paper and coloured pens, writing their own special messages to the ones they love inside.

They also enjoyed making a variety of **love-themed decorations** ahead of our Valentine's celebrations; they created paper chains, posters, textured pictures with tissue paper and messages of love on heart-shaped card to decorate our tree of love.

*We think you'll agree that this romantic group of people are very well prepared for 14 February!*
