

VE Day celebrations at Sonya Lodge Residential Care Home

We celebrated VE Day in style at Sonya Lodge Residential Care Home!

Our Home was filled with **Union Jack bunting and flags** and our tables were laid in patriotic colours with beautiful decorations.

Our residents enjoyed a special VE Day menu with a **stunning roast dinner** and a selection of delicious desserts.

After dinner, everyone enjoyed a '**proper knees-up**' to all of the **war-time classics** – such a wonderful sing-a-long and dance.

We all had a lovely day together to celebrate and remember this special occasion.
