

Visit from Lois the therapy dog at Sonya Lodge Residential Care Home

We were delighted to welcome again Lois the therapy dog and her lovely owner Karen to Sonya Lodge Residential Care Home last week, for another of their weekly visits to see us.

Our residents love these visits! Lois offers a wonderful **support and engagement** opportunity for all our residents.

Lois greeted each of our ladies and gents on arrival and it was so special to see the amazing bond and interactions between Lois everyone at our **Home**.

What a special privileged to have these wonderful visits.
