

Worship and praise service at Sonya Lodge Residential Care Home

Here at Sonya Lodge Residential Care Home we have a close relationship with our local church, St Michaels and All Angels Church in Wilmington.

This was the local church of many of our residents before they came to live at the Lodge. □Every week we are joined by Jean Hook from the church, who provides our residents with a worship and praise service.

Our residents who like to practice the Christian faith, enjoy joining Jean for this service. They sing faith songs and hymns, pray together and listen to a short sermon.

Faith is important to so many of our residents and we always endeavour to meet the individual faith needs of everyone here at our **Home.**
